PRINCIPAL'S MESSAGE

All faculty of DSBN Academy would like to welcome back our students to a new school year. We would also like to welcome our new students and their families to our school community. We hope that you and your family had a wonderful summer, and have come back refreshed ready to once again focus on our journey of academic excellence.

We're Going Back To School

We would like to extend a big thank you to Mrs. Anderson, Mrs. Denholm and their crew of caretakers for working so hard to get our school in such great shape over the summer.

We are committed to providing an environment of high expectations where students are encouraged, supported and empowered to distinguish themselves academically and take pride in their academic achievements. Our values of Commitment, Optimism, Respect and Excellence are what we all believe and will model and reinforce these throughout the year.

We are excited to welcome some new faces to both our Elementary and Secondary faculty.

As always, the strong home school connection is imperative to the educational success and growth of all students. We look forward to working with you throughout the year, through volunteer opportunities, our school council, parent meetings, and regular contact about your child's progress. If you have any questions at all regarding your child or our program please do not hesitate to call the school.

Absences

It is the responsibility of the parents/guardians to contact the school, if your child/ren is going to be absent from school. Please call the school office at (905) 684-8708 on the morning of the absence. An answering machine is available 24 hours a day for your convenience. When calling please leave the name of the student, grade and reason for absence. It helps immensely when doing our attendance. The safety of your child is our main priority, please ensure you call in all absences.

School Photo Day

On Wednesday, September 20th, Edge Imaging will be at DSBN Academy for elementary student photos. Secondary photos will take place on September 21st. These photos will be taken in a room in the school. Please be advised that our photos will be sent to the school a few weeks after they are processed and sent home with the students. You will then have the option of purchasing a package. Please ensure your child is ready to be photographed on September 20th or 21st!

Bus Transportation

We are very fortunate to have the ability to transport students to our school from across the Niagara region. All students are required to travel only on their designated bus. If a student needs to ride on another bus the office must receive a written request from both guardians (host student and guest student) including the date of travel, the bus numbers and contact numbers, **3 days prior to the requested change**. Students are also required to adhere to all guidelines directed by the bus company in order to maintain the safety of all passengers. While on the bus, students must also adhere to all policies set forth by the DSBN. We appreciate your cooperation in this matter. If you have any questions or concerns, please contact the school office. We would be glad to discuss this matter at your convenience.

If you are moving or have moved please contact the school in order for the transportation changes to take effect.

Food Information

Lunch Time—Students will have 2 nutrition/fitness breaks and are restricted to the cafeteria or library during this time unless they are in grade 9. During the fitness breaks, students will be able to use the grounds behind the Academy.

Cafeteria service—Cafeteria service will be available for both nutrition breaks. At that time, students can purchase a variety of items including: bakery and dessert selections; “On the Go” salads. Sandwiches, snacks; hot lunch entrée “items of the day”; beverage; and luncheon combos.

Snacks—Students are advised to pack an extra snack to eat prior to Encore (Monday to Thursday).

Breakfast Club—Continues every morning for all students!

Newsletter Information

Continuing this year, no hard copies of the newsletter will be sent home, unless you have specifically requested this in writing. The newsletter is a vital communication link between the home and school as it will outline activities planned each month. Our newsletter will be posted at the beginning of each month on our website at <http://academy.dsbnschools.org> under the newsletter tab. Our monthly calendar will also be provided this way. If for any reason you are unable to access our newsletter online, please let us know and we will be more than happy to send home a hard copy home with your child. We thank you in advance for your cooperation and in helping us become more environmentally friendly.

School Council

We are looking forward to continuing the great work of our School Council. Our elections will be held at our first meeting on October 4th at 6 pm. School Council plays an important role ensuring the success of all students and communication of school success to parents and community members.

Serving on the School Council will give you the opportunity to provide meaningful input on school life. All parents are welcome to join us in person or via our live feed through the internet.

Lockers

Lockers will be assigned and combination locks are required for all students. Locks can be purchased at the school for \$5.00 or maybe purchased elsewhere. A record of the combination must be kept by the homeroom teacher. **DO NOT CHANGE LOCKERS FOR ANY REASON!**

“We want YOU at the DSBN Academy!”

Research overwhelmingly states that children whose parents are involved in their children’s school and support the culture created at the school, achieve at a higher academic level and are more engaged. As a reminder, our parents are required to volunteer a minimum of 15 hours toward activities and events at the DSBN Academy. There are a number of different ways to make an impact on our young men and young women. Volunteering can take on many different forms such as:

- Logging onto or attend School Council meetings
- Volunteering at School events or Activities
- Volunteering in classrooms or our nutrition program

If you have volunteered, please call or e-mail the office to log your hours.

Volunteers don't get paid, not because they're worthless, but because they're priceless. ~Sherry Anderson

We are in need of Breakfast Program Volunteers.
