## ADVISORY

- Students are expected to participate in the Advisory Program which includes regular attendance and punctuality.
- Grade 9 & 10 students will be assigned to a Junior Advisor and then reassigned to a Senior Advisor for grades 11 & 12.
- Advisors will create opportunities to build skills needed as you navigate from grade 9 to life after high school.

## AGE OF MAJORITY

The Age of Majority in the province of Ontario is 18 years. As an adult student, staff are required to deal directly with the student in all matters concerning their schooling. In effect, this means that communication from the school will go directly to the student. Parents/guardians will require student permission to gain access to information about attendance and achievement. Adult students are expected to adhere to the DSBN code of conduct and DSBN Academy expectations for all students. As an adult student, he/she/they is solely accountable for any consequences resulting from absences from school or from the abuse of this privilege.

## ATHLETICS

To be a member of our competitive sports teams at DSBN Academy, participants must:

- Be a full-time student.
- Maintain a passing grade in each course.
- Maintain an acceptable level of attendance and punctuality.
- Demonstrate conduct that conforms with the DSBN Academy Code of Conduct.
- Note: If a student's attendance and/or academics are impacted with outstanding assignment(s), they will be temporarily removed from participating in games/tournaments.

## ABSENCES/LATES

ABSENCES If students are going to be absent from school, parents/guardians are to contact the school each day using the Safe-Arrival system. If a phone call or Safe-Arrival is not possible, then the student must bring a note signed by a parent/guardian to the Attendance Secretary before being admitted to class. Parents/Guardians can sign students out via Safe-Arrival, phone call or note. In the case of a last-minute appointment or emergency, a phone call from a parent giving the reason the student is being excused will be accepted.

EXTENDED ABSENCES (Vacations, Conferences) Dates of school holidays are published in this handbook. Please plan vacations that do not require students to miss school or exams. If this cannot be avoided, please submit a request for an extended absence to the office at least 2 WEEKS PRIOR. Students are responsible for working with their teachers to complete missed work.

LATES – Bus arrival times, lunch break, and travel time between classes support student responsibility with punctuality. Lateness to class should be due to an extenuating circumstance only. Students who are habitually late to class will be subject to progressive discipline as it is disruptive to the learning environment of other. Progressive discipline can include home contact, detention, in-school suspension, and formal suspension.

## DRESS CODE for ALTERNATE DRESS DAY:

Everyone has their own unique style and aesthetic. We celebrate students' individuality and respect their ability to express themselves. Our only expectation is that all students come to school dressed appropriately for a learning environment. When deciding on clothing, we ask that all members of our school community are mindful of:

- Health and safety considerations
- The dignity and well-being of all students and staff (i.e. clothing that is free of inappropriate or discriminatory imagery or wording)

These days are an opportunity for students to show their Argonaut pride and wear the spirit wear items they have purchased while adhering to the DSBN Dress Code above. Students do not have to wear uniform pants when wearing spirit wear tops.

## DRESS CODE for SPORT TEAMS

## ENCORE PLUS

Encore Plus is an approach to support students with planning their extra-curricular choices that will enhance their applications for jobs, specific bursaries and/or scholarships. This strategy also allows for a gradual release of supervision for senior students who demonstrate RESPONSIBILITY.

**ENCORE PLUS Point System:** Clubs and Activities are assigned a point value:

<p><b>1</b></p> <p>Social clubs &amp; activities that provide a supervised outlet.</p>	<p><b>2</b></p> <p>Commitment to a project or group for one Encore block that provides opportunity to develop/practice a skill.</p>	<p><b>3</b></p> <p>Involvement requires commitment to a project/group beyond Encore and/or one block and may include representation of our school.</p>
--	---	--

# Secondary Student Handbook

## HOW DOES The ENCORE PLUS point system work?

GRADE 9 & 10	GRADE 11 & 12
<ul style="list-style-type: none"><li>✓ Encore selections must equal a minimum of <b>5 points</b> each week</li><li>✓ 4 Encore clubs/activities required</li></ul>	<ul style="list-style-type: none"><li>✓ Encore selections must equal a minimum of <b>4 points</b> each week</li><li>✓ Students may request a non-point day (NP) which means a reduction of Encore club and activities to 3 days a week.</li></ul>

## WHAT are the criteria for a non-point (NP) day?

On a non-point (NP) day, 'lunch privileges' apply. Attendance is not taken, and students are welcome to remain in the building and gather in designated spaces as determined by the Principal/Vice Principal.

### Grade 11 Criteria for 'non-point' day:

- To be eligible for a 'non-point' day, students will have earned 40 points or more in grades 9 & 10
- For eligible students, Encore program choices must still equal **4 points** or more each week

### Grade 12 Criteria for 'non-point' day:

- All grade 12 students are eligible for a 'non-point' day
- Encore program choices must still equal **4 points** or more each week

**NOTE:** Administration reserves the right to revoke permission and assign a student to a supervised location when required.

## Changes to Encore selections?

Every effort will be made to accommodate your top 3 choices each day. It is important that students make a commitment to a club/activity and to try new things. Thus, students will be required to attend their Encore for the first week. At the end of the first week, students will be required to complete a form available in the main office. Requests will be considered on a case-by-case basis.

## Awarding & Tracking Your ENCORE Points

At the end of each block, each Encore leader will award points based on participation which may not include all the points.

---

For example, if a student has not been consistent with participation / attendance with a club / activity that has been assigned 3 points, they may only be awarded 1 or 2 points

# Secondary Student Handbook

## + Points

Students may be awarded additional points for achievements such as a tournament win, student of the month, school ambassador, SHSM medal.

Students can nominate themselves for additional points through a link posted on the D2L grade page.

## Encore Honour Roll

Students will receive special recognition for earning a minimum 32 points each year. GO ARGOS!

The Graduation Awards Committee will refer to Encore PLUS when making decisions about school-based awards, bursaries, and scholarships.

- All nominated candidates will be brought forward to the Awards Committee to ensure they meet the criteria outlined above.
- Students who meet the criteria will be required to deliver a speech to the graduating class. The speech will focus on why they are the best candidate to represent the Class of 2023.

## **PART B: Applicable to all Secondary Schools (Pages 12-21)**

### **CODE OF CONDUCT**

The DSBN believes fostering a positive school climate that supports student achievement and well-being focuses on prevention and early intervention strategies to address inappropriate behaviour.

These standards of behaviour outlined below apply whether they occur on school property, on student transportation, at school-related events or activities, or in any other circumstance that could have an impact on the school climate.

The provincial Code of Conduct outlined in PPM 128, revised October 17, 2018, sets clear provincial standards of behaviour.

All DSBN schools will have a link to policy G-08: Code of Conduct for Schools on their website and if applicable, in their school agendas.

### **PURPOSES OF THE CODE**

Subsection 301(1) of Part XIII of the Education Act states that, “the Minister may establish a code of conduct governing the behaviour of all persons in schools”. Subsection 301(2) sets out the purposes of this provincial code of conduct, as follows:

6. To discourage the use of alcohol, illegal drugs and, except by a medical cannabis user, cannabis
7. To prevent bullying in schools

### **STANDARDS OF BEHAVIOUR**

Respect, Civility, and Responsible Citizenship. All members of the school community must:

- Respect and comply with all applicable federal, provincial, and municipal laws
- Demonstrate honesty and integrity
- Respect differences in people, their ideas, and their opinions
- Treat one another with dignity and respect at all times, and especially when there is disagreement
- Respect and treat others fairly, regardless of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status, or disability
- Respect the rights of others
- Show proper care and regard for school property and the property of others
- Take appropriate measures to help those in need

- Respect all members of the school community, especially persons in positions of authority
- Respect the need of others to work in an environment that is conducive to learning and teaching

## TEACHERS AND OTHER SCHOOL STAFF

Under the leadership of their principals, teachers and other school staff maintain a positive learning environment and are expected to hold everyone to the highest standard of respectful and responsible behaviour. As role models, teachers and other school staff uphold these high standards when they:

- Help students work to their full potential and develop their sense of self-worth
- Empower students to be positive leaders in their classroom, school, and community
- Communicate regularly and meaningfully with parents

According to PPM 128, the following responsibilities are outlined to support a collaborative ownership of the code of conduct.

## SCHOOL ADMINISTRATORS

Under the direction of DSBN, school administrators take a leadership role in the daily operation of a school. They provide this leadership by:

- Demonstrating care for the school community and a commitment to student achievement and well-being in a safe, inclusive, and accepting learning environment
- Holding everyone under their authority accountable for their own behaviour and actions
- Empowering students to be positive leaders in their school and community

# Secondary Student Handbook

---

- Refrain from bringing anything to school that may compromise the safety of others

## PARENTS/GUARDIANS

Parents/Guardians play an important role in the education of their students and can support the efforts of school staff in maintaining a safe, inclusive, accepting, and respectful learning environment for all students.

Parents/Guardians fulfill their role when they:

- Are engaged in their student's schoolwork and progress
- Communicate regularly with the school
- Help their student be appropriately dressed and prepared for school
- Ensure that their student attends school regularly and on time
- Promptly report to the school their student's absence or late arrival

- Encourage and assist their student in following the rules of behaviour
- Assist school staff in dealing with disciplinary issues involving their student

## COMMUNITY PARTNERS

Through outreach, existing partnerships may be enhanced and new partnerships with community-based service providers and members of the community (e.g., Elders, Senators, Knowledge Keepers) may also be created. Community-based service providers and resources are among the supports that boards can use to deliver prevention or intervention programs. Protocols are effective ways of establishing linkages between boards and community-based service providers and of formalizing the relationship between them. These partnerships must respect all applicable collective agreements.

## POLICE

The police play an essential role in making our schools and communities safer. The police investigate incidents in accordance with the protocol developed with the DSBN. These protocols are based on the Provincial Model for a Local Police/School Board Protocol, 2015, developed by the Ministry of Community Safety and Correctional Services and the Ministry of Education.

**SAFE ARRIVAL/ATTENDANCE PROCEDURES** Our school has an easy method for you to report your student's absences. With Safe Arrival, you can report daily absences and schedule absences by using one of the following:

## LOCKERS

At our school, students are assigned lockers. Students are expected to keep their personal belongings in their locker, clean it regularly, and make sure locker doors are locked.

Lockers are the property of the DSBN and are used by students with permission of the school. Students are advised that the school has the right to search lockers and remove locks, if necessary.

Where the school has concerns of possible criminal violations, the search may also include the Niagara Regional Police who may use any of their investigative tools, including the trained canine unit.

## PREVALENT MEDICAL CONDITIONS

If you have a student with a prevalent medical condition (Anaphylaxis, Asthma, Diabetes, Epilepsy or others) we want to make sure we have a current Plan of Care to support your student.

All parents of students with prevalent medical conditions are asked to fill out the new Plan of Care and submit to the school.

You can download the forms here: [dsbn.org/prevalent-medical-conditions](http://dsbn.org/prevalent-medical-conditions).

For more information, please contact the school.

## CONCUSSIONS

The DSBN has a concussion policy and procedures to support proper prevention, identification, management, and return to learn strategies. The DSBN engages in concussion education in a variety of ways, including recognizing Rowan's Law Day, commemorated on the last Wednesday in September to raise awareness about concussions.

If your student has sustained a suspected or actual concussion while not at school, please contact the school, to make sure they are aware.

## FIRE DRILLS/EMERGENCY EVACUATIONS/ LOCKDOWNS

We're committed to maintaining our schools as safe places for all of our students. To create and maintain a culture of safety, we practice both fire and lockdown procedures at several times during the school year. School staff work with students to ensure they understand these procedures and feel comfortable acting should the circumstances ever warrant.

## SPECIAL EDUCATION

Special education supports and programs are responsive to the strengths and needs of each student, ensuring a successful learning environment for all. Working together and collaborating with parents as a team to support our students is essential to achieving success. For more information, please contact your student's special education resource teacher.

## INDIGENOUS SELF-ID:

The DSBN provides programs and measures to support all First Nations, Métis, and Inuit students. All First Nations, Métis, and Inuit students have the right to voluntarily self-identify so that they may receive supportive programming and instructional practices that better serve their learning needs. The first measure in recognizing this right is establishing self-identification procedures to identify, collect, and aggregate student achievement data for students.

## Who Can Identify?

Any student of Indigenous ancestry, First Nations (Status, Non-Status), Métis, or Inuit can identify. This process is completely voluntary and confidential, and no proof of ancestry is needed.

## How is the Data Collected?

Students can identify by filling in the student registration form or the student information update form any time during the school year.

## What if I Do Not Wish to Participate?

Participation is completely voluntary. The self-identification will remain open to all who attend the DSBN. You can activate self-identification at any time by requesting a student registration form or self-identification postcard from the main office.

For further information email: [Indigenous@dsbn.org](mailto:Indigenous@dsbn.org) or call the Indigenous Consultants at: 905-641-2929 K-8 ext. 52246, 9-12 ext. 52317, or visit <https://www.dsbn.org/indigenous-education/>

## FIELD TRIPS/EXPERIENTIAL LEARNING

Field trips and experiential learning provide students with the opportunity to learn outside of their classroom. When planning these experiences, we consider curriculum connections, safety of students and accessibility for all. We will work together to address any barriers to your student's participation.

## USE OF TECHNOLOGY FOR LEARNING

To enhance the learning and empowerment of students, and maintain an effective and safe electronic learning environment, the DSBN requires that all students follow the rules and regulations set out by the Ministry of Education.

## REPORT CARDS/CAREGIVER & TEACHER MEETINGS

Each semester, there are three reporting periods: progress report, mid-term report, and final report. After the progress report, caregivers can meet with their student's teacher.

## ACADEMIC INTEGRITY

DSBN schools strive to help students develop integrity, a strong work ethic, learning skills and work habits needed for success beyond school. Academic integrity means that students complete their own work, ask the teacher questions if they are unsure, and use proper citations when using another person's work for reference.

Plagiarism is when students claim that schoolwork, they have submitted is theirs, even when a part or all of it has been taken from an uncredited source.

### Some examples are:

- Using a sentence word for word without citing the source
- Using diagrams, charts, graphics, without citing the source
- Submitting work by another person and claiming it as your own
- Paraphrasing without citing the source
- Copying and pasting from the internet

### What is a Proper Citation?

A citation is when the student gives credit by including the name of the author, title of source, and location of the original source. An example is, "Trudeau, J. 2019. Statement by the Prime Minister on Earth Day. Accessed from: <https://pm.gc.ca/eng/news/speeches>"

## COMMUNITY INVOLVEMENT HOURS:
